

Hope Grows!
We seek a certified hand therapist to join our team.

It's time to bring your talents forward and be part of a unique team of orthopedic specialists. We are looking for a certified hand therapist interested in practicing in the hand therapy department of a progressive orthopedic clinic with a commitment to excellence. At Hope Orthopedics of Oregon our hand therapists practice shoulder to shoulder with physicians, physician assistants, physical therapists, and athletic trainers in a supportive mutually respectful environment and enjoy a newly remodeled area dedicated to hand therapy.

We believe the patient benefits when collaboration is the priority. Our clinic is managed and directed by therapists. Your professional opinion is valued and expected.

In addition a highly professional and collaborative environment, Hope Orthopedics of Oregon offers many opportunities to enjoy a rewarding practice:

- Quality time with patients: 45 minute one on one treatment visits and extended evaluation times
- No aid care! All therapy is provided by licensed personnel
- State of the art, transparent electronic medical record shared with allied health professionals
- Instant access to op reports, X ray, and MRI results on your laptop
- Face to face time with your referral sources and other allied health professionals
- Sports medicine approach with step down programs
- Company-wide commitment to community education

Competitive compensation and benefits packages:

- Bonus opportunities including sign-on, relocation
- Continuing education benefits

To Apply: This position requires a resume and cover letter. Apply online and attach corresponding documents by visiting <http://www.hopeorthopedics.com/careers>, and clicking the application link.

Could this be you?

The people of Hope Orthopedics are passionate about providing patient centered service excellence and delivering world class musculoskeletal care. Hope Orthopedics of Oregon is a full-service orthopedic practice devoted to the diagnosis and treatment of injuries and diseases of the musculoskeletal system. We provide general orthopedic and sports medicine care, as well as hand therapy and physical therapy. Our primary goals are to improve your quality of life and return you to your normal activities quickly.

Our employees enjoy a competitive benefits package that includes medical, vision, dental, disability and retirement.

Located in the heart of wine country; Salem is the capital of Oregon centrally located from both the coast and the mountains, and offers a mild climate, great schools, affordable housing, and is home to *Willamette University*.
