

Where Expertise and Compassion Meet

WE SEEK AN ORTHOPEDIC TECHNOLOGIST TO JOIN OUR TEAM

We seek an orthopedic technologist to work in a fast-paced, high-volume orthopedic clinic. Our techs assess, apply, and remove all types of orthopedic casts and brace immobilization devices in accordance with the physician's order. They educate our patients and families regarding the wearing and care of orthopedic devices and serve as a resource to them throughout their care. Duties also include maintaining the patient care environment.

Our ideal candidate has:

- NBCOT Certification;
- Other certifications will be considered - Certified Athletic Trainers and credentialed Medical Assistants with orthopedic/cast/bracing experience;
- NextGen® or comparable EMR experience;
- Outstanding customer service skills towards patients and team members;
- Exceptional interpersonal communication skills to work in a team environment;
- Ability to maintain patience and composure when faced with challenging situations;
- Ability to walk, bend, stand, and move at least 50 pounds; and
- Ability to pass background check.

Preference give for:

- Bilingual in Spanish; and
- Prior orthopedic experience.

At Hope Orthopedics of Oregon, serving our community with the best possible care is our core mission. If your personal mission aligns with ours, and you're ready to start a rewarding career in orthopedics, we'd like to hear from you. Please submit required application, resume and cover letter by visiting <http://www.hopeorthopedics.com/careers> and clicking the application link.
